## Can You Spot The 10<sup>1</sup>/<sub>2</sub> Differences?

Inspired by *People Magazine* and the Social Security card, I designed a BIRTHDAY PUZLCAKE™ for FDR's Birthday celebration at the FDR Library on 1-30-2013, with 10<sup>1</sup>/<sub>2</sub> differences between **CARD #1** and **CARD #2**.

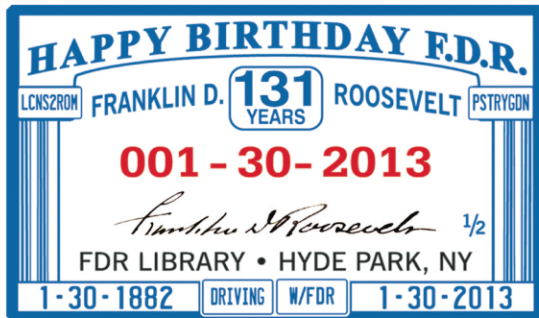

Can you find them all?

The answers are on the last page.
